

A man with dark hair and a beard is shown from the waist up, looking down and to his left. He is wearing a grey suit jacket over a light-colored, vertically striped button-down shirt. He is also wearing a dark belt with a silver buckle and grey trousers. The background is a dark, vertically striped curtain. The lighting is dramatic, highlighting the man's features and clothing.

STOCK ROTATION PROGRAMME

Once each quarter, you will be entitled to swap out a proportion of those stock service items that are not selling through quickly with other stock service styles – no questions asked provided they are in 'as new' condition!

This swap out window will only be open for two weeks each quarter. You will only be able to swap items to a maximum value equivalent to 20% of the stock service order value during the immediately preceding quarter.

STOCK ROTATION TIMETABLE

1 February to 14 February

1 May to 14 May

1 August to 14 August

1 November to 14 November

STOCK ROTATION PROCESS

To make a swap, please call BUCKLE customersupport and request a Stock Return Number. Customer support will provide you with an agreed value of returns and request a detailed list of alternative items.

To be eligible to participate in this programme, you will be required to sign a Stock Rotation Agreement. This will ensure that you understand the rules in detail and agree to abide by them.

Further terms and conditions apply. For more information, visit www.buckle.com.au or speak to your BUCKLE account manager or agent.
