

EEZ NEEZ WORKWEAR

Eezneez innovative **action-back overalls and pants** with built-in **cushioned knee panels** have been developed for those who frequently work in a kneeling position.

Specifically designed by tradesmen in conjunction with textile technicians, eezneez provides continuous protection, safety and comfort for tradesmen and workers across all industries.

Eezneez overalls and pants are made from quality heavy duty fabrics, with in-built knee panels offering protection for sustained pressure injuries, whilst also offering many other features.

- ✓ **Comfortable 7mm rubberised cushion pad**
- ✓ **Waterproof & Flexible**
- ✓ **Safety & Protection**
- ✓ **Fully machine washable and can be tumble dried**
- ✓ **Comprehensive pocket options**
- ✓ **Premium Quality Guaranteed**

Patented Design.

HOW TO MEASURE YOURSELF

Chest: Measure around the chest, make sure the tape is tight and level.

Waist: Measure the waist band of your existing pants (whilst you have them on).

Inside leg: Loosely measure from crutch to heel.

Note: It is important to get the correct size and leg length so that the knee is centred on the pad when in the kneeling position.

SIZE CHART CONVERSION

Waist Metric (CM)	77R	82R	87R	92R	97R	102R	107R
Waist Size (Inches)	30	32	34	36	38	40	42
